

Spring 2012 Registration

Splendid Day is an extended program which meets until 1:15 p.m. and is staffed by Preschool faculty. Children may attend Splendid Day only on the days they attend school.

The schedule is developed with the young child in mind and allows for alternating periods of quiet and active play. Splendid Day offers a rich extension of the Preschool philosophy with connections to the morning program. Children bring lunch from home and enjoy indoor and outdoor time.

Spring Splendid Day Dates: March 12 - May 16
