2011-2012

Permission to Attend After-school Programs

After-school programs are offered to students of Peachtree Presbyterian Preschool by the Gym at Peachtree Presbyterian Church (Lunch Bunch) and Haverty Hollow. Staff members from these programs pick up students at the end of the Preschool day and transport them to activities within their facilities. Neither program is administered by the staff of Peachtree Presbyterian Preschool. Responsibility for the students and their belongings transfers to the after-school program when pick-up occurs.

If your child is participating in an after-school program through the Gym at Peachtree Presbyterian Church or Haverty Hollow, signed permission must be on file in the Preschool office prior to the first attendance day. Whenever changes in program or days of attendance occur, an updated permission form must be completed.

By completing and returning the form below, permission is given to Peachtree Presbyterian Preschool to release your child to the staff of the Gym at Peachtree Presbyterian Church or to the staff of Haverty Hollow.

This form is also available at the Preschool website: www.peachtreepresbyterianpreschool.org.
